Monday 7-9:30 pm starting November 6, 2006

St. Anthony
Thursday 7-9:30 pm starting November 9, 2006

Introduction to SALT

SALT (Scripture and Leadership Training) is being offered by the Office of Evangelization and Worship of the Archdiocese of Anchorage. SALT provides a holistic course of study integrating Scripture, spirituality and leadership training. SALT is designed to familiarize participants with both the Hebrew and Christian

Scriptures. It offers participants the opportunity to connect Scripture to their life through reflection and prayer in the context of an adult learning community.

The Mission of SALT

SALT responds to the Word of Jesus: You are the salt of the earth

SALT gathers people together locally for regular sessions of Scripture study with a focus on biblical spirituality and leadership training

SALT helps participants grow in understanding through prayer and reflection, by sharing a variety of experiences in small groups and with focused instructions

SALT forms people for prophetic leadership in their faith communities

SALT pursues a critical interpretation of Scripture in the tradition common to ecumenical churches

Registration forms available at each parish or on line: www.archdioceseofanchorage.org
FEE: \$150 (less \$75 scholarship) per season. \$10 for the book annually.

PLEASE BRING YOUR COMPLETED REGISTRATION TO THE FIRST SESSION.
