

The Alaska Catholic Youth Conference 2019

The Joy of Our Faith

On Facebook and Twitter, Pope Francis writes, “A Christian is never bored or sad. Rather, the one who loves Christ is full of joy and radiates joy.” Today’s world often does not reflect such joy. People are in dire need of it. It is up to modern day disciples to strive for it in our own lives and in-turn, pour it out to others through our actions and words.
