Nationwide Service to Report Sexual Misconduct Involving U.S. Bishops

Dear Brothers and Sisters in Christ,

In May 2019, Pope Francis released his apostolic letter, *Vos estis lux mundi* (“You are the light of the world”) to address the issue of sexual abuse by bishops and major superiors and their accountability in the global Catholic Church. One month after Pope Francis issued his order, the bishops of the United States convened for their general assembly in Baltimore and approved the implementation plan for carrying out the directives of the Holy Father here in the United States.

As part of this ongoing commitment to carrying out *Vos estis lux mundi*, the Catholic Bishop Abuse Reporting Service (CBAR) was established. The service is operated by Convercent, Inc. an independent, third-party entity that provides intake services to private institutions for reports of sensitive topics such as sexual harassment through a secure, confidential, and professional platform. For more information on the reporting service and how it works, please visit: ReportBishopAbuse.org.

This Catholic Bishop Abuse Reporting service allows for individuals to relay to Church authorities any reports of a U.S. Catholic bishop who has:
- Engaged in Sexual Misconduct against Canon Law and/or Civil Law
- Engaged in Sexual Misconduct against a minor or vulnerable adult
- Or who has intentionally interfered with a civil or church investigation into allegations of sexual abuse committed by another cleric, religious or someone representing the church

To make a report, individuals may go to ReportBishopAbuse.org. Reports are also accepted by calling (800) 276-1562.

In addition to reporting any allegations against a U.S. Catholic Bishop through the CBAR service, those making a report through this system are also encouraged to report the allegation directly to law enforcement. Reports received by the CBAR which meet criminal law standards will be reported to the local enforcement by the Archdiocese.

The Catholic Bishop Abuse Reporting Service (CBAR) does not replace existing reporting systems for complaints against priests, deacons, religious or laity. If anyone has been sexually abused by someone representing the Church and has not yet reported the abuse, please consider disclosing what happened to you. The best way to do so is to report to your local law enforcement agency. You may also contact the Archdiocesan Victim Assistance Coordinator by calling 907-297-7786 and we will do our best to help you and assist with reporting to law enforcement.
While the mandate by Pope Francis in *Vos estis lux mundi* echoes many of the practices that the Catholic Church in the United States has already implemented since 2002 with the *Charter for the Protection of Children and Young People*, this new order applies to the bishops and to the worldwide Catholic Church, making clear the pope’s concern of the issue of sexual abuse in the Church at a global level. For additional information, please see the attached documents.

Respectfully and sincerely in Christ,

The Catholic Bishop Abuse Reporting Service has been established to receive reports of sexual abuse and related misconduct by bishops, and to relay those reports to proper Church authorities for investigation. Where a report includes a crime, such as the sexual abuse of a minor, it will also be reported to civil authorities. Otherwise, reports will be kept confidential.

If you have any other kind of complaint about a bishop—such as parish assignments, church closings, or homily contents—please address those directly to your diocesan or eparchial bishop instead. Sexual abuse by a priest, deacon or a staff member or volunteer of the Church should be reported to the office of Victim Assistance in your local diocese/eparchy. So, to be sure you get the help you need, phone numbers and addresses may be found on the diocesan/eparchial website.

If you are the victim of sexual abuse (or any other crime), please contact local law enforcement.
WHAT IS THE PURPOSE OF THIS SERVICE?

The purpose of the Catholic Bishop Abuse Reporting (CBAR) service is to provide a third-party service for gathering and relaying to appropriate Church authorities reports of the following kinds of misconduct:

- A U.S. Catholic bishop who has:
  - forced someone to perform or to submit to sexual acts through violence, threat, or abuse of authority;
  - performed sexual acts with a minor or a vulnerable person;
  - produced, exhibited, possessed, or distributed child pornography, or recruited or induced a minor or a vulnerable person to participate in pornographic exhibitions;

- or, a U.S. diocesan or episcopal bishop, or other cleric overseeing a diocese/eparchy in the absence of a diocesan or episcopal bishop, who, in the exercise of the office, intentionally interfered with a civil or Church investigation into allegations of sexual abuse committed by another cleric or religious.

WHAT KINDS OF REPORTS SHOULD NOT BE MADE THROUGH THIS SERVICE?

All other complaints against bishops, such as theological concerns, liturgical abuses, church closings, priest assignments, etc., are beyond the scope of this reporting service. Such complaints should not be made through this reporting service.

If you wish to report sexual abuse or misconduct by other clergy or Church personnel other than a bishop, please contact your diocesan / episcopal Victim's Assistance Coordinator instead. Consult your local diocesan / episcopal website for contact information.

Although Church authorities who receive reports of the sexual abuse of a minor and certain other crimes will report them to civil authorities as required by law, this service is not intended as a substitute for calling the police. If you feel that you are the victim of a crime, please contact local law enforcement immediately.

WILL THIS SERVICE RESPECT MY PRIVACY?

Although reports made through this service will be routed to appropriate Church personnel and, as warranted, civil authorities for investigation purposes, the reports will otherwise be kept confidential. You are not required to provide your name or contact information, although you may choose to do so to facilitate the investigative process. Any data submitted will be protected through enhanced encryption.

WHAT SHOULD BE INCLUDED IN A REPORT?

Your report must include:

- the name of the U.S. Catholic bishop you are reporting;
- a description of the allegation, the place where it occurred, and the timeframe of when it occurred, as best you can remember.

It will be helpful if the report also includes as many relevant details as possible, such as the names of other individuals involved, as well as dates, times, known circumstances, or other information useful to assess the facts of the situation.
WHAT HAPPENS TO A REPORT ONCE IT IS SUBMITTED?

- You will be given an access number and personal password that can be used to follow-up on the status of your report. The service can provide automated status reports at a very general level, but it can also provide a confidential avenue of communication for asking more detailed questions about status.
- Your report will be forwarded to the proper Church authority, usually a Metropolitan archbishop (or a Senior Suffragan bishop if the report is about the Metropolitan, or if the Metropolitan See is vacant). All of the information you provide will be forwarded without any editing or revisions.
- At the same time, your report will be forwarded to a lay person who has been designated to assist the bishop in receiving reports.
- Some reports, such as those involving minors, will be reported to law enforcement.
- The Metropolitan (or Senior Suffragan) and designated lay person will review the report.
- The Metropolitan will then send your report to the Apostolic Nuncio along with an initial assessment.
- The Apostolic Nuncio will then send your report and the Metropolitan’s initial assessment to the appropriate authority within the Holy See.
- Within thirty days, the Holy See will determine if a formal investigation is warranted. If so, it will authorize a bishop to oversee the investigation.
- If an investigation is ordered, it will be undertaken by qualified experts, including lay persons. Normally, the investigation is to be completed within 90 days of receiving the order from the Holy See.
- Once the Holy See receives the conclusions of the investigation, the Holy See will initiate the appropriate process that will lead to a final judgment.

WHO IS PROVIDING THIS SERVICE?

This third-party reporting system is provided by Convercent, Inc., which is a commercial vendor of ethics reporting services and has no authority within the Catholic Church. The service reflects Convercent’s standard design for confidentially receiving and relaying reports, additionally tailored to fit the requirements of Church law. The service is paid for by the 197 dioceses and eparchies of the United States. The service is operated by the Metropolitan archbishops and Senior Suffragan bishops of each province, with the assistance of the designated lay people corresponding to each.

WHO INVESTIGATES THE REPORTS ENTERED INTO THIS SERVICE?

Neither Convercent nor the third-party system conducts any investigation. Instead, the system only gathers and routes reports to the appropriate Church officials in a manner consistent with canon law, so that they in turn can be investigated. Only those Church officials delegated with authority by the Holy See can conduct a Church investigation of a bishop. Some reports, such as those of sexual abuse of a minor, will be conveyed to civil authorities as well. In those cases, Church officials will suspend any canonical action in deference to an investigation being conducted by civil authorities when they so request.

WHICH BISHOPS ARE COVERED BY THIS SERVICE?

This reporting service may be used to report the actions or inactions of living U.S. Catholic bishops, whether active or retired, of U.S. dioceses or eparchies. This includes the Ordinary of the Personal Ordinariate of the Chair of Saint Peter and bishops of the Archdiocese for the Military Services, USA, and current diocesan and apostolic administrators of vacant U.S. sees.
